Re: Renovations and Repairs

Dear Andy,

I wanted to write this letter as a recommendation for your company. You helped me through a very difficult time and did so with honesty, integrity and professionalism. I think your quality of work was impressive and your knowledge of the insurance claims processes allowed me to accomplish much more than I initially thought I would be able to.

I had other experiences with various other contractors and was amazed at the incompetence and dishonesty prevalent in the other companies.

I feel that ARP Renovations stands apart as an exceptional company and I would highly recommend you to other friends, family members and business associates alike.

Sincerely,

Michele Healey
